

A top-down view of a workspace. In the upper left, a laptop with a black lid featuring the white number '39' is partially visible. A pair of round, thin-rimmed glasses rests on the laptop's keyboard. In the center, an open notebook with lined pages lies flat. The right page contains handwritten notes in black ink: '• when contact Me was made?', '• what do you like about it?', '• what don't you like?', '• Statistics?', '• Do you have analysis set up?', '• New features you would like?', '• Any existing style guides?', and '• Testimonials?'. A gold-colored smartphone is placed on the left page of the notebook, displaying a photo of a person. In the bottom left corner, a white ceramic cup filled with dark coffee sits on a matching saucer. To the right of the notebook, a black pen and a black eraser are visible. The entire scene is set against a plain white background.

A clipboard with a checklist titled "PRICING FORMULA" and "MATERIALS" is placed on a desk. The checklist includes sections for "MATERIALS", "LABOUR", "EXPENSES", and "PROFIT". The desk also has a laptop, a pen, and some paper clips.
